

Evaluation sheet : workshop

Title *Cobalt: The digital network*

Date :

Name : *Roudant Lilian*

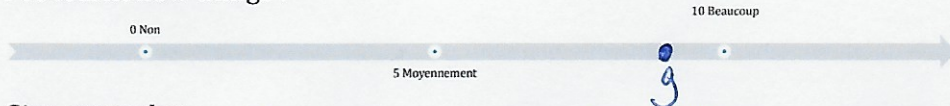

1. I'm generally satisfied about this workshop :

Explain why :

It was a very good experience, we were well received, and this workshop was very complete and interesting

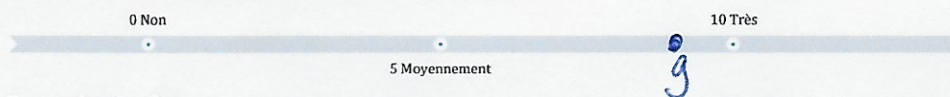

2. I've learnt new things :

Give exemples:

I learned a lot about the Internet... Website creation, the digital professions and the time needed to create a website

3. What I've learnt, I will be able to use it again :

Say why/ when :

I love technology and I spend a lot of time on the internet, so this knowledge will serve me in the future

4. There is a good balance between theory and practice ?

5. Next time, to improve this kind of workshop, we would need to...

It would be necessary to practice more through activity like the creation of a mini website.

6. After this workshop, to put my new knowledge/ abilities into practice, I would need to...

When I want to create a website, it will serve me!

7. Other comments :

More practice please but it's an interesting activity
